

Woodland Trails Scout Camp GUIDE

Scouts.ca

Family Adventure Camp is a combined camping and programming experience for Scouting families. Families have the option to choose overnight camping, in a variety of settings, or visit Woodland Trails for the Day and enjoy all the programming, activities and amenities for one low price.

Due to the Pandemic, Scouts Canada has turned to the family camping model to allow Scouting families to get out and enjoy nature while exploring some of Scouts Canada's amazing camp properties.

Families camping or visiting Woodland Trails must maintain their family bubbles at all times while on the property.

We are also pleased to offer our very popular **Adventureland Leadership Training (LIT) program** to youth ages 11–17. Youth will be in small cohorts and will go home each evening after a fun filled day of learning, growth and of course, adventure!

Day Use and General Information

Day Use Hours of Operation

Woodland Trails will be open to the public from Thursday to Monday **starting July 9 to August 29**.

The Leadership Training Program (LIT) will operate Monday to Friday 9–5 pm with before and after care options available starting as early as 7:30 am and extending as late as 6:30 pm.

Monday: 11 am–5 pm

Tuesday: 10 am–11 am (for checkout only)

Wednesday: CLOSED

Thursday: 10 am–5 pm

Friday: 9 am–7:30 pm

Saturday: 9 am–5 pm

Sunday: 9 am–5 pm

Day-Use Passes

Day Use passes provide access to all the great programs, activities and hiking trails that Woodland Trails has to offer.

Space is very limited and is on a first come, first serve basis so we recommend calling ahead to ensure spots are available. Upon arrival, guests can choose from available program slots or activities. They are also free to enjoy the public areas (fields, trails etc.) at their own pace.

Washroom Facilities

Plastic Kybo's are available in public areas for guests to use and will be sanitized every two hours during day use operations. Flush toilets are available to cabin guests only. Day Use guests should bring their own water.

Camp Store/Tuck Shop

Snacks, ice cream, drinks, gear, crests, Scouts Canada and Woodland Trails items can be purchased at the store during day use hours of operation. We are also proud to sell maple syrup, made on site from our own trees! Overnight guests may also purchase firewood.

It starts with Scouts.

Programming and Amenities

Day-Use guests and overnight guests have access to daily programming and all of Woodland Trail's amenities, including:

- Tennis/badminton/pickle ball
- Beach volleyball court
- Soccer field
- Ball hockey area
- Basketball court
- Disc Golf
- Bouldering Wall
- Trail access
- Mountain biking trails
- Picnic areas

Instructor-Led Programming

Staffed programs will run at set times through the day starting at 10 am. **Sign up is required.** Some evening programs can be booked by speaking to our Program Director on a flexible case-by-case basis.

Archery:

Ever wanted to try archery? Well, now you can! Join our instructor for a safety and skill-based lesson followed by target practice with coaching.

Outdoor Education/Ecology:

Learn more about the flora and fauna of the Oak Ridges Moraine as we get outside and see what Woodland Trails has to offer. Instructor's will cover several topics related to animal life, ecology, environmental protection and the current partnerships we have to promote safe use of the forest.

Survival:

Join our instructor to learn more about the great outdoors and how to survive for extended periods in an outdoor emergency. Topics covered include food, water, fire building, shelter building, medicinal plants and more!

Trapping and Logging:

Throw on some plaid and prepare to dive into the history of trapping and logging in Ontario. Learn about the different traps and how they work, see pelts from various animals and see how different logging tools helped harvest trees in years past.

Mountain Biking:

Start with a basic safety lesson before enjoying our road trail or for more advanced bikers, try our forest mountain biking trail.

Star Hikes:

Join us at night in Beaver Meadow for a safely distanced astronomy lesson. Learn about the history behind the constellations and keep an eye out for shooting stars!

Self-Directed Program Options

For those interested in growing and learning independently, program-in-a-box materials will be available to borrow from the camp office.

This is a great opportunity to earn Personal Achievement Badges.

This may include orienteering, geocaching, crafts, tree identification, outdoor cooking, shelter building, bird watching and more!

Overnight Accommodations

Lodges, Villages, Caboose, Tent Sites

Guests may choose from 3 lodges, 5 villages, a caboose and 8 tent sites. No trailers, ATV's, dirt bikes or RV/campers are permitted.

Overnight guests will be asked to vacate their site completely by 10 am on day of check-out. Gates will close at 11 am on Tuesday and re-open at 9 am Thursday morning with the exception of our LIT program. Weekend bookings include Friday after 4 pm until Sunday at 4 pm. Guests have the option to extend their stay by adding Thursday or Monday to their booking. At this point in time, we are not offering single night bookings on weekends.

Please note that during weekends, facilities must be booked as a Friday to Sunday time slot.

Maplewood Lodge:

Features a large open room with many double bunk beds (twin size) as well as two smaller rooms, also with twin bunks. Lodges have a basic kitchen with fridge and stove but guests will need to provide their own pots, cookware, cutlery etc. as well as bedding or sleeping bags. There are also two private bathrooms with flush toilets. Electricity is available throughout the lodge but showers are not available. This lodge also includes a large secluded area with its own private fire pit and picnic tables. Parking available for two vehicles.

Hickory Hill Lodge:

Features a large open room with many double bunk beds (twin size) as well as two smaller rooms, also with twin bunks. This lodge has a basic kitchen with fridge and stove but guests will need to provide their own pots, cookware, cutlery etc. as well as bedding or sleeping bags. There are also two private bathrooms with flush toilets. Electricity is available throughout the lodge but showers are not available. This lodge also includes a large secluded area with its own private fire pit and picnic tables. Parking available for two vehicles.

Big Pine Lodge:

Features a large open room with many double bunk beds (twin size) as well as four smaller rooms, also with twin bunks. The lodge has two basic kitchens with fridge and stove in each but guests will need to provide their own pots, cookware, cutlery etc. as well as bedding or sleeping bags. There are also four private bathrooms with flush toilets. Electricity is available throughout the lodge but showers are not available. This lodge also includes a set of couches, air hockey table and ping-pong table. This lodge also includes a large secluded area with its own private fire pit and picnic tables. Parking available for two vehicles.

Chestnut, Birchmount, Whispering Beeches, Rustling Poplar and Great Oak Villages:

All five village facilities consist of a picnic shelter, picnic tables, 7 'tabins' (plywood with shingle roof and vinyl flaps/screen door), 2 plastic kybos on holding tanks, hand washing station/drinking water, fire pit and excellent privacy/seclusion. No electricity at these sites. Vinyl sleeping mats can be provided for each guest upon request at these sites. Guests may also pitch up to 4 tents at these sites should they prefer that option. Parking available for two vehicles, per village. We will ask guests to limit their use of tabins to a reasonable number (3-4) to aid in cleaning sites after use.

Tent Sites:

All campsite facilities (8) consist of picnic tables, two plastic pit kybos, a hand wash station, a fire pit and excellent privacy/seclusion. No electricity at these sites. Water is nearby. Guests may pitch up to 5 tents at these sites, in addition to a dining shelter of some kind. Parking available for two vehicles, per site.

Caboose:

Our Oba Junction site features 3 train cars from CN Rail. For summer rentals, the middle car will be available providing 8 twin sized bunks, two small tables and ample closet space. At this point in time the caboose dining car will not be available. The site will include two kybos on tanks, a full picnic shelter, picnic tables and a fire pit. The site offers excellent seclusion. Water is nearby.

Camp Rules and Guidelines

1. All guests are required to check into the Camp Office before accessing their accommodation or any other areas of camp.
2. All guests, including youth, must remain in their household bubble and safely distanced from others at all times.
3. Guest's will be required to submit a declaration of no symptoms before entry to the site.
4. Youth must be accompanied by an adult from their bubble at all times. This includes at programming stations, in common areas such as trails and picnic areas, during play and all other activities.
5. Woodland Trails is home to an active racoon population. Proper food storage and disposal is essential for the comfort of guests and cleanliness of the sites.
6. Masks must be work at all times when close contracts are likely and proper distancing is not possible and while participating in all programming activities.
7. Guests are asked not to invite other campers to their campsite or cabin.
8. Consuming alcohol, cannabis, or any other illicit substance is strictly prohibited.
9. Woodland Trails is a non-smoking property.
10. Pets are not permitted.
11. Quiet time is from 10 pm until 7 am.
12. Leave No Trace principals should be observed at all times. We ask that guests refrain from disrupting or altering the camp's natural habitats.

COVID-19 Safety

Scouts Canada has worked extensively with local and provincial health authorities to ensure this new family camping model meets all COVID-19 safety guidelines. Measures that will be in place to ensure a safe and healthy camping experience include:

- A live-In staff team observing a strict staff bubble for the summer
- Household bookings and on-site household bubbling
- Private bathroom facilities per site/cabin
- Staff roles dedicated to routine cleaning and equipment disinfection
- Sign-up systems and limited capacity in group settings for programming and activities
- No indoor group activities
- No food service
- Masking and distancing requirements
- Safety measures, rules and guidelines are posted throughout camp and are reviewed upon booking, upon check-in, and at the start of every program event.

It starts with Scouts.
