

It starts with Scouts.

# ADVENTURELAND

## Day Camp Program

YOUTH AGE: 6–12 YEARS

All Day Camp participants will be required to abide by the health & safety protocols in place while on property, including but not limited to social distancing, handwashing/sanitizing, and masking requirements. Proof of vaccination may be requested for those 12 and older.

Day campers will have their own designated area on the property with assigned programming times and will not be interacting with other guests on-site.

Day Camp Program: \$249.00 per week per participant (special early bird rate) and \$299 after that. Early bird pricing ends May 1, 2022.

Adventureland Day Camp Program provides children and youth (ages 6–12) with fun and memorable summer programming. Campers will be exposed to new experiences and activities that promote teamwork and adventure.

This program runs daily, Monday through Friday from 8:00am–6:00pm. This summer, our day campers will be placed in a cohort with campers their age and a designated staff team. This is done to limit the amount of people your child will come into close contact with while at camp. In addition, we will require each day camper to bring their own lunch.

Day campers will have the opportunity to engage in a number of outdoor programs while building relationships with fellow campers and staff members. Our goal is to foster an inclusive environment in which campers of all abilities can thrive. We encourage youth to make friends and to try new things. We endeavour to excite and challenge our youth with adventure while placing an emphasis on safety.

**This summer our Day Camp program will include:**

- **Daily swims in our outdoor pool**
- **Mountain biking**
- **Archery**
- **Laser tag**
- **Obstacle Course**
- **Various games at our Sports Complex**
- **Theme related activities**
