

How to use Square

If your Group wants to start accepting credit card purchases when fundraising with Scout Popcorn, you can order yourself a Square! Scouting Groups are eligible to receive a free square reader upon registration using this [link](#). For each registered square this year there will be no added fees on the first \$1,500! The original fee returns (2.65%) after \$1,500. Click [here](#) to sign up for your free Square and you will receive the Scouts Canada's promotion.

When your Group orders their square reader(s), you must link them to your online account. To add your Group's bank information, a Volunteer or Group Treasurer will need to sign into the Square accounts and go under Account & Settings then click Bank Accounts. Your Groups must then enter your bank account transit number, account number and institution number. Then click Verify Account. The verification process can take up to 5 business days.

If Scouters by Group are each ordering a square reader, the Group Treasurer will need to sign in to each account and repeat the above process.
