

Program Support Functional Team

In-Section Support

In-Section Support Commissioner

Develop, coordinate and support the continued implementation of The Canadian Path.

- Work collaboratively with the Associate Director, Program Support.
- Identify and prioritize trends related to program quality and in-Section Support.
- Develop creative solutions to enhance program quality and Canadian Path implementation.

National Coordination

In-Section Support Coordinator

Coordinate teams of Program Support Scouters to provide in-person support and coaching to local Sections.

- Work collaboratively with the local Program Support Manager
- Recruit, onboard and provide performance management for Program Support Scouters.
- Upon referral, connect Program Support Scouters with local Sections to provide program support.

Local Implementation

Program Support Scouter Network

Program Support Scouters can choose to specialize in one or several of the following areas of program support:

- Provide in-Section support using the Canadian Path Navigator and a modular coaching system.
- Facilitate episodic workshops for topics in which they are a subject matter expert (SME).
- Support local events like Beaverees and Cuborees.
- Facilitate outdoor skills development for local Scouters and youth.
