PLAN
15 MIN

Let's Plan!

- Go through what you will be doing during the meeting and set expectations for the night.
- Find a discussion question like, "What are some things about Cubs that might change now that we are back indoors?"
- Leave time for the Cubs to share their answers but be ready to move on if the conversations falls shorter than expected.

- What equipment do you need to do the activity? All information is on each activity page within the Activity Database.

Have a body break! Stand up, do some stretches or dance moves and shake it out before jumping into the activity.

Activities with movement should be done often as the weather becomes colder.

DO
20 MIN

Activities to Get You Started

- Meeting etiquette—what's different indoors?
- If you have new members, this is a good time to add them to existing Lairs.
- Explain the Lair system and find a way to review the Cub Law and Promise.
- Does your Code of Conduct need adjustment for this year?

- Build boxes for your Lairs! What are the staples you'll need for your adventures?

What's Next?

- Ask the Cubs what activity they want to do next week. Plan how they are going do the activity. Ask What, Why, Where, When, How questions.

REVIEW & CLOSING
5 MIN

- Review what you did by discussing a couple of short questions (don't worry about everyone answering the question, but the same people should not always be answering). E.g. Ask open-ended questions about the activity done tonight.
- Run a version of your regular closing (e.g. Closing Ceremony, etc.)

- Thank the Cubs for their time and celebrate what went well together!
- Did the meeting meet the elements of SPICES (Social, Physical, Intellectual, Character, Emotional and Spiritual)?
- Send out a weekly update to the parents letting them know what the youth have been doing and how they are progressing. Showcase the youths' successes.
