

Design a Mascot

MONKEY CITY Creative Expression

The Adventure:

Every big event needs a great cheerleader, a cartoony critter that can get the crowd cheering and help sports teams bounce back during the game. Design a mascot for your Scouts Canada Games.

Online Resources:

Famous Mascots:

- Bonhomme
- Pro sports mascots

Safety Note:

- How can you make sure your mascot doesn't offend anyone?
- What safety features would you include in your mascot costume for the wearer?

Plan:

- What materials will you need for designing your mascot?
- What examples will you look at for inspiration? Where can you find even more mascots to look at?
- What will your mascot represent?
- Will you design your mascot alone, with a partner or as a team? How can you work together on this adventure?
- What will it look like?
- What does it represent?
- What will its name be? What will it mean?

Do:

- Design your mascot!

Review:

- What do you know now that you did not know before?
- What did you most enjoy about this adventure?
- How did you team up with others on this adventure?
- What would you do differently if you were to design another mascot?
